### ***Wine Story***

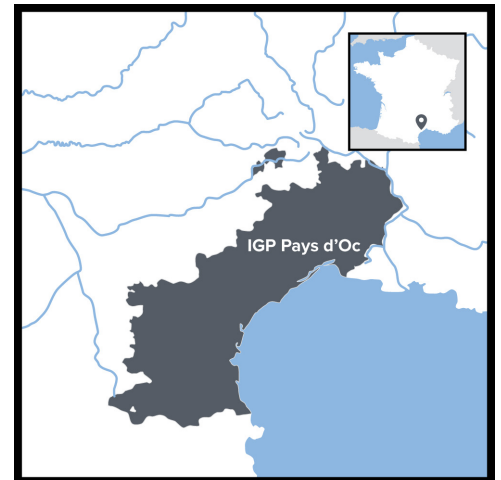

2022 Maison Riche Pinot Noir is an excellent example of this single varietal wine with its attractive, cherry red color, more cherry and hints of brandy on the nose, and a rich, fruity palate. With a light mouthfeel, this Pinot Noir is an excellent stand-alone, easy-drinking red but offers enough complexity to work well with lighter food pairings, including tapas, grilled white meats, or hearty salads.

### ***Tasting Notes***

Red cherry and raspberry notes on the nose, hints of plum and currant on a well-balanced palate, with silky tannins and an elegant finish.

### ***Pairings***

Enjoy this light, versatile red with barbecued chicken, bone-in pork chops, mushroom and veggie flatbread, or mixed cheese plates.
